STUDIO INFORMATION

So You Think You Can Dance?

We can make it happen!

Experience a program with classes for the dancer who wants to dance for fun, as well as for the competitive or serious career-oriented student.

Danceworks is now a

TECHNIQUE FACILITY.

Our teachers have extensive training as well as teaching experience. We will relish the pleasure of guiding your dancer in a concentrated study of dance technique. With various techniques being taught throughout the year, you will be given several opportunities to see your child's progression. We will now offer two in-house showcases, progress reports, as well as the opportunity for various outside events.

Classes run for 9 months, starting Tuesday, September 8th, through Saturday, May 29. Breaks are taken for Christmas Vacation & Spring Break.

There is a \$35 registration fee (additional children within the same family \$15 each) due before your child begins classes..

Classes are offered to dancers of all ages and ability levels. Most classes occur in the afternoon and evening, however there are also morning, early afternoon and Saturday classes available.
